Billi

Borg & Overström

Brita Vivreau

We love coffee, but we also know that every workplace needs ready supplies of tea and water too.

So, along with our state-of-the-art coffee machines, we offer best-in-class water solutions that help you keep staff well-hydrated and your environmental impact to a minimum.

And all covered, along with your coffee machine, under one convenient service contract that includes;

- Hygiene checks
- Filter management
- Sanitisation
- Preventative maintenance
- Onsite training
- Quick call-out times (24-hour response outside London, six hours within)
- Service, parts and labour

### Three top brands, with their own benefits

Whether you're looking for a simple tap for great-tasting refreshment, a quick way to make tea, or want to offer guests branded bottles of still and sparkling filtered water, our expert engineers will install and maintain your preferred water taps to the same high standards that have made our reputation in the coffee sector.

**It's the Roast & Ground way,  
but for water.**
